

NWFA Member Pavilion

A minimum of efforts for a maximum of success!

By participating in a group pavilion, you can attract a great deal of attention despite having only a small stand. And you'll save time and money – thanks to less organizational effort and low prices for a high level of service:

Your stand

Your stand includes the stand space, stand construction, furniture and individual fascia lettering. It is also possible to add further equipment e.g. furniture or graphics/logos at additional cost.

Common area

The pavilion has its own common area which may be used to sit down and have conversations with customers or business partners. Free beverages and cookies are served by a friendly hostess.

Services

As a member of the group pavilion, you'll enjoy organizational and onsite support from us before and during the show. Daily cleaning and waste disposal are also included.

Marketing campaigns

You'll also benefit from all the marketing campaigns conducted for DOMOTEX 2018.
